I were thinking how you tend to lie on your side when you are sleeping, with your legs pulled up and your arms folded in front of you, allowing me an unhindered view of Picturing you like that ignites a fire in me that I can't resist and I can see myself bending down to you softly on your

As you stir, I your shoulder and then move down to your, lingering on You open your eyes and reach up to pull me down on top of you. I savor the feeling of our against each other and the softness your skin.

I pull away from you to drink in your body, my lips trace a warm path from to your We are so close that I can feel the beat of your heart becoming faster as I continue to you.
